Hiking The Bay Circuit Trail

“A Video Journal”

Acton Public Library

April 18, 2019 at 7pm

Dan & Marilyn Briemann along with Alan French will be your guides taking you along the Bay Circuit Trail, a 200 mile natural wonder that arcs around the city of Boston from Newburyport to Kingston

This is a multi-media presentation on the Bay Circuit Trail and the environment. Dan incorporates his video and musical talents to bring the environmental issues of our day in a documentary news style that inspires us to meet the people who are Caring for the Earth. In doing this video, he met and interviewed over 60 people. Alan French is an Andover resident and was the founder, Chairman and Executive Director of the Bay Circuit Alliance, Inc. He's here to talk about the more than 25 years he was involved with this project and making it a reality.

On our website is a series called e-Awakening Presents. If you contact your local cable stations and ask them to play it, they can download it directly from our website.

For more information, the best way to contact Dan and Marilyn is at their email address which is eawakening@gmail.com
